

2017 PAP Regional Group Survey-Western Region Summary of Findings
 Administered in July 2017 N=5 Respondents

Membership

How long have you been a member of the Western Region Workgroup?

How long has your organization been a member of the Western Region Workgroup?

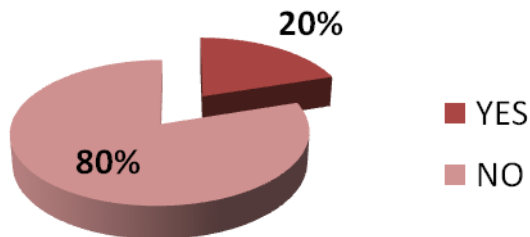

Feedback provided by the members for how more Western Region members could be included in the action planning and implementation process in the future are as follows:

- "I feel management is doing a good job with recruitment."
- "Delegate more responsibility and make decisions in a more timely fashion."
- "I feel the region is doing enough."

Action Planning and Implementation

Do you feel the Western Region Workgroup has enough engaged and active members to complete the action plan strategies/activities?

Top barrier to action plan implementation was:

"Lack of consistent participation from members on calls and at meetings."

Do you feel adequate progress is being made on the action plan activities to be able to complete the items by 8/30/17?

❖ 75% said "NO"

"Lots of talk and not very much action or delegation of action."

100% of the Western Region Workgroup members felt the action planning process was as inclusive of the members as it could have been.

75% feel the Western Region members are as engaged and active in implementing the action plan as they should be.

How can more Western region members become engaged?

- "Delegate more responsibility and make decisions in a more timely fashion."

Top identified barrier for the Western Region Workgroup overall:

PARTICIPATION!

STRUCTURE AND FUNCTION OF THE WESTERN REGION

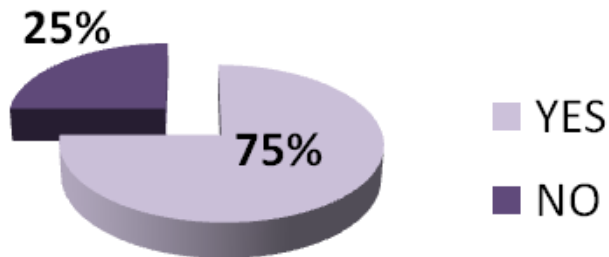

80% of Western Region members reported that they prefer quarterly meetings instead of monthly.

Do you feel the regional meetings are effective in completing the work that needs to be done?

"No, due to a lack of attendance, we often have to leave line items open until more participation."

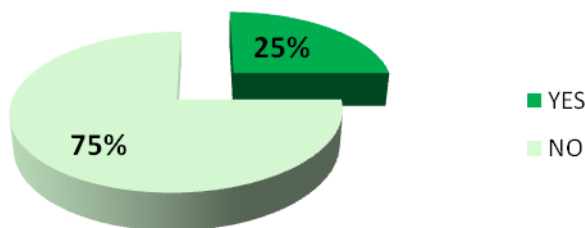

Do you feel the Western Regional Workgroup is as effective as it can be with the current way it is structured and is functioning?

50% of respondents stated the Western Region workgroup would benefit from having ad hoc "task/work groups" that agree to work on/manage strategies within the action plan.

- "Anything that delegates duties would be good."

Do you feel the Western Region Workgroup would benefit from having a regional representative run the meetings (i.e. chair or co-chairs)?*

**Nominated: American Lung Association Representative*
